well-known sanitary laws. The case of Brunswick should serve as a terrible example to the misgoverned city of Brooklyn, with its negligent Health Department.

CONSPIRACY AGAINST REPEAL.

When President Cleveland called an extra session of Congress to repeal the Silver Purchasing clause of the Sherman law the Republican politicians in this city and elsewhere, declared that repeal would be defeated, and that the President would have a "nice job" to do in repealing the law. The Senate, however, has passed the bill, and the Administration has a chance of success. The Republican leaders hoped to embarrass the Administration by a continuance of the financial and business troubles their own policy had drawn upon the country, and desired to prevent the Democratic party from gaining the credit of restoring prosperity by repealing the law.

It is now reported from Washington that a Republican Congressional caucus, to be held this evening, is called for the purpose of considering the expediency of defeating the effort of Senator Voorhees to press the repeal bill to a vote.

This policy is urged on the Republicans by ex-Speaker Reed and other unscrupulous partisans. It is the duty of the Democrats to compel the Republican Senators to show their hands. The conspiracy, if it really exists, should not be suffered to succeed without exposure. The rumor is that the Republicans are to add the Silver men in defeating repeal in return for the assistance of Democratic and Populist Silverites in preventing the repeal of the Supervisors of Election law.

The Democratic Senators ought to take care to expose the plot and to make it plain by the immediate application of extreme measures on the Silver Purchasing Repeal bill.

TOUGHING THE CUP.

Mr. George L. Watson, the designer of the Valkyrie, expresses the hope that she may win the America's Cup mainly because he believes it would "give an impetus to yachting that would be as beneficial to America as it would be to England."

If Mr. Watson means that in case Lord Dunsay should carry the cup over to the other side of the Atlantic there would be an international race over there nearly every year until it was brought back again to America, he is correct. Our yachtsmen would not rest contented until they had regained possession of the trophy.

The Valkyrie's return to us the Breton's Reef Cup, which was taken to England quite recently, while we have held possession of the America's Cup for long years, with but few attempts on the part of England to recover the prize.

Let us hope, then, that the cup will not leave our shores now, and rest that if it does it will always be held as fairly and honorably open to a challenge on equal terms as it has been while in the possession of American yachtsmen.

SEE TRIED TO TELL IT.

Woman has a weakness for fooling people about her age. No matter how old she is, she would like to be always mistaken for sweet sixteen or thereabouts. Wrinkles may rattle her forehead and her throat may have a tanned and rosy appearance, but she will be sagging and her hair wear a depth of snow that would make trouble for the Street-Cleaning Commissioner of this city, but she will never give in that she is other than blossomy and youthful.

It is one of the privileges of the sex that she is permitted to trample the truth in making statements concerning her age. She has fibbed and befuddled us so much on this question that we have come to look upon her attempts to tell her age as a joke. We know she is equivocating and we simply wink the matter away. And we love and admire her for the persistence with which she refuses to reveal it.

If it were not that we nurture a sweet and unfeeling affection for the female who fabricates about her age we might be led to place a wreath of glory on the brow of the lady who told the Police Commissioner that she was thirty years old, at the Police station street station that she was 17 years old. We would do this in the belief that she was telling the truth. But we are reasonably certain by deduction from previous experiences with antiquated chippers that she is not. The lady is not 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100, 101, 102, 103, 104, 105, 106, 107, 108, 109, 110, 111, 112, 113, 114, 115, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125, 126, 127, 128, 129, 130, 131, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 142, 143, 144, 145, 146, 147, 148, 149, 150, 151, 152, 153, 154, 155, 156, 157, 158, 159, 160, 161, 162, 163, 164, 165, 166, 167, 168, 169, 170, 171, 172, 173, 174, 175, 176, 177, 178, 179, 180, 181, 182, 183, 184, 185, 186, 187, 188, 189, 190, 191, 192, 193, 194, 195, 196, 197, 198, 199, 200, 201, 202, 203, 204, 205, 206, 207, 208, 209, 210, 211, 212, 213, 214, 215, 216, 217, 218, 219, 220, 221, 222, 223, 224, 225, 226, 227, 228, 229, 230, 231, 232, 233, 234, 235, 236, 237, 238, 239, 240, 241, 242, 243, 244, 245, 246, 247, 248, 249, 250, 251, 252, 253, 254, 255, 256, 257, 258, 259, 260, 261, 262, 263, 264, 265, 266, 267, 268, 269, 270, 271, 272, 273, 274, 275, 276, 277, 278, 279, 280, 281, 282, 283, 284, 285, 286, 287, 288, 289, 290, 291, 292, 293, 294, 295, 296, 297, 298, 299, 300, 301, 302, 303, 304, 305, 306, 307, 308, 309, 310, 311, 312, 313, 314, 315, 316, 317, 318, 319, 320, 321, 322, 323, 324, 325, 326, 327, 328, 329, 330, 331, 332, 333, 334, 335, 336, 337, 338, 339, 340, 341, 342, 343, 344, 345, 346, 347, 348, 349, 350, 351, 352, 353, 354, 355, 356, 357, 358, 359, 360, 361, 362, 363, 364, 365, 366, 367, 368, 369, 370, 371, 372, 373, 374, 375, 376, 377, 378, 379, 380, 381, 382, 383, 384, 385, 386, 387, 388, 389, 390, 391, 392, 393, 394, 395, 396, 397, 398, 399, 400, 401, 402, 403, 404, 405, 406, 407, 408, 409, 410, 411, 412, 413, 414, 415, 416, 417, 418, 419, 420, 421, 422, 423, 424, 425, 426, 427, 428, 429, 430, 431, 432, 433, 434, 435, 436, 437, 438, 439, 440, 441, 442, 443, 444, 445, 446, 447, 448, 449, 450, 451, 452, 453, 454, 455, 456, 457, 458, 459, 460, 461, 462, 463, 464, 465, 466, 467, 468, 469, 470, 471, 472, 473, 474, 475, 476, 477, 478, 479, 480, 481, 482, 483, 484, 485, 486, 487, 488, 489, 490, 491, 492, 493, 494, 495, 496, 497, 498, 499, 500, 501, 502, 503, 504, 505, 506, 507, 508, 509, 510, 511, 512, 513, 514, 515, 516, 517, 518, 519, 520, 521, 522, 523, 524, 525, 526, 527, 528, 529, 530, 531, 532, 533, 534, 535, 536, 537, 538, 539, 540, 541, 542, 543, 544, 545, 546, 547, 548, 549, 550, 551, 552, 553, 554, 555, 556, 557, 558, 559, 560, 561, 562, 563, 564, 565, 566, 567, 568, 569, 570, 571, 572, 573, 574, 575, 576, 577, 578, 579, 580, 581, 582, 583, 584, 585, 586, 587, 588, 589, 590, 591, 592, 593, 594, 595, 596, 597, 598, 599, 600, 601, 602, 603, 604, 605, 606, 607, 608, 609, 610, 611, 612, 613, 614, 615, 616, 617, 618, 619, 620, 621, 622, 623, 624, 625, 626, 627, 628, 629, 630, 631, 632, 633, 634, 635, 636, 637, 638, 639, 640, 641, 642, 643, 644, 645, 646, 647, 648, 649, 650, 651, 652, 653, 654, 655, 656, 657, 658, 659, 660, 661, 662, 663, 664, 665, 666, 667, 668, 669, 670, 671, 672, 673, 674, 675, 676, 677, 678, 679, 680, 681, 682, 683, 684, 685, 686, 687, 688, 689, 690, 691, 692, 693, 694, 695, 696, 697, 698, 699, 700, 701, 702, 703, 704, 705, 706, 707, 708, 709, 710, 711, 712, 713, 714, 715, 716, 717, 718, 719, 720, 721, 722, 723, 724, 725, 726, 727, 728, 729, 730, 731, 732, 733, 734, 735, 736, 737, 738, 739, 740, 741, 742, 743, 744, 745, 746, 747, 748, 749, 750, 751, 752, 753, 754, 755, 756, 757, 758, 759, 760, 761, 762, 763, 764, 765, 766, 767, 768, 769, 770, 771, 772, 773, 774, 775, 776, 777, 778, 779, 780, 781, 782, 783, 784, 785, 786, 787, 788, 789, 790, 791, 792, 793, 794, 795, 796, 797, 798, 799, 800, 801, 802, 803, 804, 805, 806, 807, 808, 809, 810, 811, 812, 813, 814, 815, 816, 817, 818, 819, 820, 821, 822, 823, 824, 825, 826, 827, 828, 829, 830, 831, 832, 833, 834, 835, 836, 837, 838, 839, 840, 841, 842, 843, 844, 845, 846, 847, 848, 849, 850, 851, 852, 853, 854, 855, 856, 857, 858, 859, 860, 861, 862, 863, 864, 865, 866, 867, 868, 869, 870, 871, 872, 873, 874, 875, 876, 877, 878, 879, 880, 881, 882, 883, 884, 885, 886, 887, 888, 889, 890, 891, 892, 893, 894, 895, 896, 897, 898, 899, 900, 901, 902, 903, 904, 905, 906, 907, 908, 909, 910, 911, 912, 913, 914, 915, 916, 917, 918, 919, 920, 921, 922, 923, 924, 925, 926, 927, 928, 929, 930, 931, 932, 933, 934, 935, 936, 937, 938, 939, 940, 941, 942, 943, 944, 945, 946, 947, 948, 949, 950, 951, 952, 953, 954, 955, 956, 957, 958, 959, 960, 961, 962, 963, 964, 965, 966, 967, 968, 969, 970, 971, 972, 973, 974, 975, 976, 977, 978, 979, 980, 981, 982, 983, 984, 985, 986, 987, 988, 989, 990, 991, 992, 993, 994, 995, 996, 997, 998, 999, 1000.

That the trolley system is an evil and a menace in the streets of a city there is no doubt. Yet the peril which exists where this system is in vogue could be avoided if the trolley cars were run on the roof of the street-car line. The State Railroad Commissioners are about to make an effort to impress this fact on the electric railway companies in Brooklyn.

It must be said, however, that the need of carelessness is not entirely on the part of the street-car men. In two of the most recent accidents reported this morning, the published details of the occurrences show unmistakable lack of caution on the part of the child victims. One boy standing in a car on a wagon jumped off in front of a car. Another boy, standing on a car, was thrown off by the car. The car was running on the roof of the street-car line. The State Railroad Commissioners are about to make an effort to impress this fact on the electric railway companies in Brooklyn.

certain knowledge on this vital point, it is impossible to judge fairly of the state of progression or retrogression at which the National game has arrived among the descendants of Lo.

New York will yield as gracefully as possible one point to Chicago in the matter of advantages for a World's Fair site. We could not, try as we might, have furnished a prairie fire to skirt the Exposition grounds.

New Senator Stewart is after a Pan-American silver dollar. He threatens a speech on the subject at an early day. Has Senator Daniel another whisper ready?

The repaving of Park Row has progressed to such an extent that it is no longer necessary to employ a guide to get across that street.

Long as the cable must be to draw the Third Avenue surface cars, it is longer yet in coming.

So far the Brazilian insurgents seem to be on top. But time may bring another revolution.

CONTEMPORARY CONCLUSIONS.

Jerry Simpson is as well-mannered a man as ever attempted to outdo the old political parties, and the impression that he was a plutocrat every morning for breakfast is erroneous—Washington Post.

The proposition to prolong the World's Fair may be less with some difficulties, but it would command popular approval. The Fair has earned an encore—Philadelphia Record.

There is a vast amount of wind in the United States Senate. Perhaps the idea is to make things agreeable for Mr. Foraker's whiskers—Rochester Post-Express.

Yes, Gov. McKinley, this is the Midway Fair, where the foreigner pays the tax—after he has gouged it out of the consumer—Chicago Post.

Prof. Campbell, of Montreal, Prof. Briggs, of New York, and Prof. Smith, of Cincinnati, all convicted by Presbyterians of heresy, may congratulate one another that they did not live about 250 years ago—Kansas City Star.

We are getting a tremendous navy, but our army is not so big. The navy is the only one that is not being allowed to get out of sight in one of the wars—Chester News.

WORLDLINGS.

More than 31,000 petitions have been presented to the British Parliament at this session, a number only once exceeded.

When Dr. W. Seward Webb's new home in the Bronx is completed it will have cost \$150,000, and will probably be the finest private residence in the city. It will contain 120 rooms.

A German has invented a kind of paper from which any sort of ink may be erased by the use of a moist sponge, but the government has refused to grant him a patent on it.

There are 110 women lawyers in the United States. In 1892 there were 100, and in 1891 there were 90.

CRAPE INSTEAD OF BRIDAL VEIL.

Thomas B. Veeder died the day before he was to be married.

The wedding of Miss Annie A. Walsh and Thomas B. Veeder was to have taken place today at St. Paul's Catholic Church in East One Hundred and Seventeenth street, but in place of her bridegroom Miss Walsh wears mourning.

Mr. Veeder died yesterday at his home at Riverside of pneumonia, after an illness of one week.

Miss Walsh is a daughter of the late Clerk, "Billy" Walsh was once a young ex-Warden Thomas P. Walsh, a staunch supporter of Samuel J. Tilden and one of the best known and most beloved of the downtown politicians of a by-gone day. Miss Walsh is an inspectress at the Custom House. She lives with her sister, Mrs. Elizabeth Keefe, 183 Lexington avenue.

Thomas B. Veeder was an inspector at the Barge Office. He was a son of William D. Veeder, a lawyer, of 139 Pacific street, who was once Attorney General of Kings County, and has served a term in Congress. Young Mr. Veeder is a member of the Seventh Regiment, of the Seventh Regiment Veterans, and of the Tammany Hall General Committee in the annexed district.

He was taken with a chill at the theatre last week Monday. Pneumonia developed. He was nursed in his last illness by Miss Walsh. The funeral will be private. The burial will be at New Scotland, near Albany.

SHOULD BE STATE SCHOOLS.

Plans to put the two museums on a sounder footing.

President Tappan, of the Park Board, is in favor of making the Metropolitan Museum of Art and the Museum of Natural History a part of the educational system of the State. The Museum would then be entitled to State aid.

The city's trustees and their friends pay all expenses. Judge Tappan
